

How to download Google Classroom for iPad

Go to the **App Store**:

Type "Google Classroom" in the search bar.

Tap on **GET** and then **INSTALL**, confirm and enter password, passcode or Face ID. This depends on your personal iPad settings.

Open Google Classroom and click **Get Started**.

Enter **student Google email**, for example:
firstname.lastname@education.nsw.gov.au
There must be **no** spaces between letters.
Then enter your password.

Then enter your **DET user ID and password.**

The image shows a screenshot of the NSW Department of Education login page. The page has a blue header with a close button and the text 'Sign in'. Below the header, it says 'NSW Department of Education'. The main content area is titled 'Login with your DoE account'. There are two input fields: 'User ID' and 'Password'. The 'User ID' field has a placeholder 'Enter your user ID' and an example 'Example: jane.citizen1'. The 'Password' field has a placeholder 'Enter your password'. Below the fields is a blue 'Log in' button. There is a link for 'Forgot your password?' and a link for 'Have trouble logging in?'. There are two yellow callout boxes with red arrows pointing to the input fields. The first callout box says 'Enter your student DET user ID. For example: jane.smith1'. The second callout box says 'Enter your password.'.

Congratulations, you are now ready to use Google Classroom! Your class's Google Classroom home page will then appear.

Your classroom teacher has provided a weekly timetable for online learning. Carefully read and follow the instructions.

Remember, be respectful online!
