## Intention to apply for Year 7 Selective High School in 2021

Dear parents and caregivers,

Selective High Schools cater for highly achieving academically gifted students who may otherwise be without classmates at their own academic and social level. These schools help gifted and talented students to learn by grouping them with other gifted and talented students, teaching them in specialised ways and provident educational materials at the appropriate level.

Application for selective high school placement are considered mainly on the basis of the Selective High School Placement Test results and school assessment scores. The Selective High School Placement Test will be held on 12 March 2020.

If you would like to have your child considered for Year 7 selective high school entry in 2021, you need to do so soon. You will need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online is now available in a printed application information booklet at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>. The application website is now open and closes at 10pm on 11 November 2019. No late applications will be accepted.

There are no paper application forms. If you do not have internet access, you could apply at a public library. If you have a disability that prevents you from using a computer, you can contact the High Performing Students Unit for assistance on 1300 880 367.

You must submit only ONE application for each student. Remember the tear-off strip below is **not** an application and the school cannot apply on your behalf.

Yours sincerely,

  
Ms G Goldfinch  
Principal
