

Moving into Year 7 in 2022

Dear parents/caregivers,

Our school will be hosting an afternoon session on Monday 15 March to assist parents with filling out the 2022 High School Expression of Interest forms.

These forms are required to be completed by all parents, irrespective of which high school they are looking for their child to attend in 2022.

The forms have been pre-filled with the current residential address from our school records along with your child's local high school.

If you currently live at a different address, you must immediately notify the school along with providing proof of address. Please contact the school office for further details.

The session is to support parents in completing the forms and explaining how the process works. The forms can be handed in at the end the information session.

All forms are **due** to be returned to your child's classroom teacher by **Friday 19 March 2021.**

Please indicate below if you will be attending the information session below.
