

FWPS Strategic Improvement Plan 2021-2024 Information Session and Highlights of School Improvements

Dear parents and caregivers

The Fairfield West Strategic Plan 2021-2024 has been developed using feedback from student, community and staff survey data as well as student academic data.

You are invited to an information session on Monday 10 May to learn about the Strategic Improvement Plan and a short tour of the school highlighting school improvement that may have taken place during 2020.

For organisation purposes please ensure that you complete the slip below and return, indicating if you will be attending.

Date: Monday 10 May 2021

Time: 2:20pm - 3:00pm

Location: Hall

Kind regards

Genelle Goldfinch

Principal
