

Welcome to 3/4T

3/4T have had a wonderfully energetic start to 2025.

From the classroom, to the library or the playground, 3/4T are showing ways they can be safe, respectful, good learners.

We have been learning all about why authors create the texts that they do.

We love sharing texts and using the ideas to create our own pieces of writing.

The wonderful technology in our room helps us learn.

Our learning takes place outside of our classroom too. The playground and the library are two of our favourite places.
