

In Term One, Year 6 students enjoyed an exciting trip to The Botanic Gardens. During their visit, they learned about various types of trees and had the opportunity to examine leaves closely. This hands-on experience helped them explore the beauty and diversity of nature while enhancing their understanding of the environment.

Aunty Lynn visited 6H to share valuable insights about the history of Aboriginal people. She spoke about their rich cultural heritage and demonstrated how they used traditional equipment for hunting, gathering, and everyday life. The students gained a deeper appreciation for Aboriginal culture.
