News from the Principal

Dear parents and caregivers

SCHOOL PHOTOGRAPHS – NEW DATE – Monday 22 November

Due to unforeseen circumstances the School Photographs will now be held on Monday 22 November. If you would like to purchase photographs, please return the envelope as soon as possible. To purchase sibling photographs a separate envelope needs to be completed and returned to the office. Students will be required to wear full school uniform for the photographs, this includes black shoes and white socks.

ATTENDING SCHOOL

The Department of Education has set out the following guidelines about students and staff attending school:

Staff and students must not attend work or school if unwell, even with mild symptoms of COVID-19.

Any person with any COVID-19 symptoms must be sent home and not return to school unless:

- they have a negative COVID-19 test result and are symptom free or
- they have isolated for 10 days, when no medical certificate is available.

In circumstances where students or staff have other medical reasons for recurrent symptoms, a letter from their GP is sufficient to negate the requirement for a negative test.

Where a person has previously tested positive for COVID-19, NSW Health will provide them with a medical clearance that allows them to return to school or work.

YEAR 6 GRADUATION AND FAREWELL – CHANGE OF DATE AND LOCATION

Both the Year 6 Graduation and Year 6 Farewell will now take place on **Tuesday 14 December**. The Year 6 Graduation will take place in the morning and will run under Level 3 Covid restrictions. Unfortunately, we are unable to welcome parents onsite for this assembly. The assembly will be filmed and the recording link provided to families.

We are unable to hold the Year 6 Farewell at Fairfield RSL as previously planned due to Covid guidelines that require a vaccinated parent to attend with every student. Hence the Year 6 Farewell will take place at school during the afternoon of Tuesday 14 December. The year 6 teachers are planning a fun afternoon of games and music. Unfortunately, we are unable to welcome parents onsite for the farewell. You will receive more detailed information next week.

2022 PLANNING

The executive is currently looking at student enrolments for 2022 so class sizes can be organised. If you are going on a holiday before the end of the year or leaving during the break and not returning until after the school year begins, please complete the slip at the end of the newsletter and return it to the front office as soon as possible. You can also call the office on 96045568 and inform an office staff member. We need to know this information so we can keep your placement open.

Student Learning

5W have had a great return to school. They have been working collaboratively and participated in many fun learning experiences. 5W had the opportunity to play sporting games with their grade peers, participate in music lessons and work in teams to solve mathematical problems.

Finally, students used their creative skills to put up the class Christmas tree and decorate it with ornaments, some of which they designed themselves.

Learning in 5S

5S are excited to be back in class and have started the term getting back into routines. We have been working hard to build our comprehension skills during reading groups. We have been learning to use different strategies to improve our multiplication and division skills.

This term, 5S students have been busy preparing for their leadership speeches.

We have been enjoying our time in music each week, learning to play the glockenspiel with Mr Post.

School Travel for 2022

2022 school travel applications are now open

Students who need a School Opal card or travel pass for 2022 can [apply](#) now. A new application will need to be submitted if they are applying for a school travel pass for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, or who have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications and current entitlements are updated and remain valid. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2022.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

School Student Transport Scheme site change

On 1 October 2021 the School Student Transport Scheme (SSTS) information and application portal was moved to **transportnsw.info**. This will assist families to find all their travel information in the one place.

Travel from Term 1 2022

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for the School Student Transport Scheme (SSTS) open at the start of Term 4 2021 for travel in 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a difficult period for local bus operators, and students travelling without a valid ticket make service planning and operations increasingly difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel on a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Please also remember that students using Opal cards must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).
