News from the Principal ~ Genelle Goldfinch

Dear parents and carers

End of Year events

The end of the 2023 school year is quickly approaching and we are excited about the many fun and engaging activities planned for students over the coming weeks, such as Presentation assemblies, Year 6 Graduation and farewell, Picnic Days, and Talent Quest. Keep an eye out for the week 10 newsletter that will be filled with photos of these events.

2024 Planning

The executive is currently looking at student enrolments for 2024 so class sizes can be organised. If you are going on a holiday before the end of the year or leaving during the break and not returning until after the school year begins, please complete the slip at the end of the newsletter and return it to the front office as soon as possible. You can also call the office on 96045568 and inform an office staff member. We need to know this information so we can keep your placement open.

WILL YOUR CHILD BE ABSENT FROM SCHOOL AT THE END OF TERM 4?

The last day of school is Friday 15 December 2023. If you know your child will not be at school at the end of term but will return for the 2024 school year, please contact the office to state the date/s of absence and reason. An 'Application for Exemption from Attendance' (available from the office) **MUST** be submitted if your child is going to be absent.

Is your child leaving Fairfield West Public School?

In order to plan our classes for next year, it is vital we know the number of students who will be enrolled at our school in 2024. Please inform the office if your child is **not** returning to Fairfield West Public School next year or will be returning after Thursday 1 February 2024.

✂-----

NOTICE OF STUDENT LEAVING (Please give to office)

My child _____ of class _____ **WILL NOT BE** returning to Fairfield West Public School next year. Their last day will be _____. The school they will attend next year is _____.

✂-----

NOTICE OF STUDENT RETURNING AFTER 1 February 2024 (Please give to office)

My child _____ of class _____ will be returning to Fairfield West Public School next year but will **return after Thursday 1 February** due to _____.
(reason) (date)

Parent/carer signature _____

News from the Principal – Continued

Out of School Hours (OOSH) Care – feedback required.

Currently several students access the Out of School Hours care at King Park Public School and a minibus brings them to Fairfield West PS before school and collects them after school. If you currently use this facility, or think you may use it in 2024, please click on the following link and complete a quick survey. <https://surveys.education.nsw.gov.au/s3/Parent-Survey>

School Uniforms

Students are expected to wear black school shoes when wearing the school uniform. The shoes should not have any other colours on them. When you go shopping for new shoes for 2024, please purchase shoes that are completely black.

COVID-19 - Stay home if unwell

COVID-19 is still active in the community. While COVID-19 remains an unpredictable virus, NSW Health advises that COVID-19 will continue to present a health risk to the community. Accordingly, schools will continue to implement baseline COVID-smart measures to help reduce the risk of transmission for students and staff members. If your child does test positive to COVID-19, please let the school know. Please make sure you answer phone calls from the school in case we are contacting you about your child becoming ill at school. If your phone number has changed, please let the school office know on 9604 5568.

Kindergarten enrolments – BEING TAKEN NOW

If you have a child who needs to start Kindergarten in 2024 please complete an online enrolment as soon as possible or you can also come to the school for a paper enrolment form. It is never too early to enrol and enrolling early will assist the school to prepare transition programs.

For enrolment you will need to bring:

- *Child's original birth certificate or passport.*
- *Proof of address e.g., original of council rates notice, residential lease or electricity account.*
- *Parents born overseas please bring original passport or citizenship papers.*
- *Current Immunisation History Statement*

Staff Learning

Not only do the students spend their days learning, but so do all the staff at FWPS. Over the past two weeks staff members have participated in the following professional learning opportunities:

- Full day Anti Racism Officer Training – Assistant Principal C&I and one teacher
- Full day Strategic School Improvement – Principal, three Deputy Principals, four Assistant Principals, two Assistant Principals C&I and one Assistant Principals I&S
- Full Day SpellEx – Assistant Principal and – Assistant Principal C&I
- One hour social media professional learning – Assistant Principal C&I
- Two hours new 3-6 curriculum – Assistant Principal, Assistant Principal C&I and six teachers
- School Leadership Institute – Principal

All staff professional learning ensures that the highest quality of education is provided to all students at FWPS.

Class Report ~ 5H

TEAM 5H

Term 4

Learning is made FUN!

5H had an amazing experience when we attended Healthy Harold. We learnt how to stay safe when online and building positive relationships with our friends.

Students in 5H have been working very hard on their science presentations. Students have been using their laptops and researching the Solar System.

Term 4 has gone by fast! We are excited for year 6 in 2024!

Before that, we have our picnic day coming up which we are all looking forward to.

Compulsory school attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my Legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age of 17 years. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the NSW Education and Standards Authority for home schooling.

Once enrolled, children are required to attend school each day it is open for students.

The Importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Attendance

NSW Department of Education

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An Application for Extended Leave may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school what should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department may apply to the Children's Court for a Compulsory Schooling Order. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The NSW Department of Education recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.
