News from the Principal – Genelle Goldfinch

Dear parents and carers

Updated information

If any of your contact details have changed such as phone number or address, please contact the school office on 9604 5568 to advise us so we may update your contact details accordingly. A sick child can become very distressed if we can't contact their parent/carer. New changes have now been implemented as per the NSW Health guidelines and Department of Education requirements that we must send students home if they show any flu-like symptoms.

School Uniform Policy

As per our school Uniform Policy, the expectation is that **EVERY** child wears their full school uniform and appropriate shoes every day. The school is prepared to support students to ensure they are in full school uniform. If there is any issue regarding cost of uniform, please contact the school and we will work with you to ensure your child has access to a full school uniform.

Kindergarten enrolments – BEING TAKEN NOW

If you have a child who needs to start Kindergarten in 2024 please complete an online enrolment as soon as possible. If you do not have access online please pick up a paper enrolment form from the front office. When you enrol your child you are asked to bring your child along with you to the school for an interview. It is never too early to enrol and enrolling early will assist the school to prepare transition programs and events.

For enrolment you will need to bring:

- *Child's original birth certificate or passport*
- *Proof of address e.g., original of council rates notice, residential lease or electricity account.*
- *Parents born overseas please bring original passport or citizenship papers.*
- *Current Immunisation History Statement*

Community Hub

On behalf of Fairfield West Public School and the Community Hub, I wish to extend a huge thank you to Food Bank and Woolworths Fairfield Heights for their unwavering support of the Fairfield West Public School community! Your generous donations have been instrumental in keeping our Breakfast Club running smoothly, providing essential fuel for our students' minds. We are incredibly grateful for your ongoing commitment and dedication to our school. Thank you for making a positive impact on our students' lives!

NSW Premier's Spelling Bee Regional Final

Congratulations to Daniel Chea and Vincent Huynh who participated in the Regional Final of the NSW Premier's Spelling Bee on Friday, 11 August 2023.

In the Junior competition, Daniel correctly spelt 'creek', 'instead', 'industry' and 'economics' and made it to Round 5. During Round 5, he incorrectly spelt 'municipal'.

In the Senior competition, Vincent correctly spelt 'cyclist' in the first round, however, was knocked out in the second round when he incorrectly spelt the word 'geranium'.

Well done to both students on making it to the regional final!

Fairfield West Public School-Panel Expression of Interest

We are requesting people to sit on teacher employment panels, there is training involved. If you're interested, please contact the school office on 9604 5568 by 12:00pm Monday, 28 August 2023.

News from the Principal – Continued

Fruit & Veg Month 2023

Our school will be participating in Fruit & Veg Month 2023. This year's theme is **Fruit & Veggie STEMs!** **Fruit & Veg Month** is a health promotion event that aims to encourage increased fruit and vegetable consumption amongst **NSW primary school children** through engaging activities for the classroom, whole of school and at home.

Students will learn about the science, maths and technology behind fruit and vegetables. Students will be involved in various classroom and school-based activities to encourage them to eat more fruit and vegetables. Fruit & Veg Month 2023 runs from Monday 28 August to Friday 22 September.

Add colourful veggies to sandwiches & wraps

Use veggies in muffins, slices & pizza

Add veggies to sauces e.g pasta sauce

Pack veggie sticks

Pack whole or sliced fruit

News from the Principal – Continued

Staff Learning

Not only do the students spend their days learning, but so do all the staff at FWPS. Over the past two weeks staff members have participated in the following professional learning opportunities, mostly remotely:

- Three hours Aboriginal Network - Deputy Principal, Assistant Principal and teacher.
- Three hours online modules Safety Intervention – Two Deputy Principals, two teachers and two School Learning Support Officers.
- Full day face to face modules Safety Intervention – Two Deputy Principals, two teachers and two School Learning Support Officers.
- One hour curriculum planning – Three DP, four Assistant Principals and 41 teachers
- Full day Disability Reference Group – Principal

All staff professional learning ensures that the highest quality of education is provided to all students at FWPS.

/respect and acknowledge Aboriginal People as the traditional owners of the land on which /work, live and visit.

Student News – Zone Athletics

On Wednesday 23 August, FWPS took a team of 42 students to the Crest Athletics Centre to participate in the Horsley Zone Athletics Championships. Our students competed against students from the other 16 schools in the Horsley Zone in events including the 100m, 200m, 800m, Shot Put, Discus, High Jump, Long Jump and Relay events. All events held on the day were classed as straight out finals with our students trying their hardest in every event. While some students were only there to compete in one event, some had multiple events to compete in on the day. Over the coming days we will receive all the results and find out if any of our students have earned selection in the Horsley Zone team who will compete at the Sydney South West Athletics Championships at the Campbelltown Athletics Centre in Week 9. All 42 students should be commended for their great behaviour and hope that they enjoyed representing our school.

Mr Ottmann & Mr Hormis
Sport Co-ordinators

Class Report - K/6T

K-6T have had many engaging and exciting learning experiences this year. Highlights included students visiting Featherdale Wildlife Park, Calmsley City Farm and the FWPS Art Exhibition.

K-6T students were artist, Roy Lichtenstein for a day during Education Week, some of us celebrated 100 days of kindy and we achieved many life skills and social skills goals.

Year 5 & 6 Excursion

Stage 3 Excursions

This week the Stage 3 students enjoyed two engaging excursions.

On the city excursion, students met with the Ranger Jamie team who took them through The Rocks. The students discovered that The Rocks was named after the sandstone rocks in the area. They explored many old buildings, marvelling at the shells in the mortar and the small spaces that large families would have occupied many years ago. The students were surprised to hear that some of the places they were standing in had been sewers at one point. Seeing the Sydney Harbour Bridge, the Opera House, a large cruise ship, a naval ship, Luna Park and the ferries at Circular Quay were some of the other highlights.

At Zone Bowling at Villawood the students quickly learnt how to hold a bowling ball and what it meant to get a spare or a strike. The students enjoyed bowling with their friends, as well as participating in a laser tag game. Following lunch, the buses headed to Ninja Parc at South Granville. The students leapt up the warped wall, moved by ropes across rolling cylinders, and climbed through multiple obstacles.

The students were well behaved and excellent representatives of our school. It was a tiring but amazing two days.

Tuning Into Kids

ABOUT US

Would you like to learn how to:

- Better understand your child
- Help your child learn to manage their emotions?
- Help prevent behaviour problems in your child?
- Teach your child to deal with conflict?

Tuning in to Kids shows you how to help your child develop emotional intelligence. Children with higher emotional intelligence:

- Have greater success with making and keeping friends
- Have better concentration at school
- Are more able to calm down when upset or angry
- Tend to have fewer childhood illnesses

Compulsory school attendance

| Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my Legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age of 17 years. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the NSW Education and Standards Authority for home schooling.

Once enrolled, children are required to attend school each day it is open for students.

The Importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Attendance

NSW Department of Education

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An Application for Extended Leave may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school what should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department may apply to the Children's Court for a Compulsory Schooling Order. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The NSW Department of Education recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

We want to work with businesses within our school communities

Work is available maintaining our schools

School Infrastructure NSW manages a large maintenance program for more than 2,000 schools across all parts of NSW. To do this work, we are looking to engage local businesses, including Aboriginal owned businesses and people.

We want to go local

We are moving towards direct management of facilities maintenance, bringing in new facilities maintenance contractors and tradespeople to work directly under contract with us.

Why go local? We want to:

- be more responsive to maintenance issues reported by schools.
- ensure we are working with local trades and spending our money in our local communities.
- provide better working conditions for local tradespeople, including faster payment terms.

Opportunities for Aboriginal businesses

In addition to increasing our engagement of local contractors, we are also seeking to grow the number of local Aboriginal businesses we work with and increase employment opportunities for Aboriginal employees, apprentices and trainees.

We have Aboriginal Senior Program Officers who are able to help Aboriginal businesses, and local contractors who already employ or are looking to employ Aboriginal employees, apprentices, and trainees.

Community News

NSW Department of Education – School Infrastructure

The trades and services we are looking for include:

- Multi Tradespeople
- Plumber (including roof and gas)
- Electrician
- Lift Technician
- Refrigeration mechanic
- Glazier
- Hazmat
- Arborist AQ3/AQ5
- Locksmith
- Cleaner
- Pest control
- Carpet/vinyl
- Data technician
- Security technician
- Painter
- Plasterer/renderers
- Tiler
- Landscaper
- Brick layer
- Fire management
- Sheet metal
- Concreter
- Removalist
- Playground specialist
- Pool technicians and cleaner
- Carpenters
- Gasfitters
- Test and tag
- Lighting
- Construction
- Gutter cleaning
- Equipment construction and maintenance
- Engineering
- Fencing services building and repair
- Roofing

How can I participate?

We're looking for a wide variety of maintenance services and trades to start with us from 1 July 2023 including electricians, plumbers, painters, and many others. It's easy to work with us!

Reach out to our team to find out more and access the documents to apply to work with us.

On approval you'll be setup in our systems and onboarded, with induction covering how to work with us and use our systems. Then start getting work orders allocated within 48 hours!
