News from the Principal ~ Genelle Goldfinch

Dear parents and carers

Congratulations, Jonathan Tuitupou

Last week I received a phone call from a member of the public who wanted to share her gratitude and respect towards a student who attends Fairfield West PS, Jonathan Tuitupou. Jonathan was representing FWPS at the Horsley Zone Athletics Carnival and was competing in the 800m race. During his race, a student from another school became unwell and had an asthma attack whilst competing. Jonathan noticed the student and stopped running to assist the student and stayed with him until adults arrived. The parent of the unwell student wanted to share how grateful she was and express her recognition of the great sportsmanship that Jonathan showed. I am incredibly proud of how Jonathan represented himself and the school at the carnival. Jonathan demonstrated 'The Best Me' attitude whilst representing our school. Congratulations Jonathan!

Congratulations, Katrina Ly and Kathy Nguyen

FWPS submitted several pieces of art into the Nagoya City Art Exchange to represent NSW Public Schools. The art competition consists of entries from Japan, Los Angeles, Mexico City, Italy, France, China and Uzbekistan. Katrina Ly's work titled 'Night and Day' was selected to represent NSW public schools in Japan's exhibition. Whilst Kathy Nguyen's artwork titled 'Dotty Birds' was selected to be featured in the Sydney exhibition. Congratulations to both Kathy and Katrina for their outstanding artwork.

Congratulations, Ms Rebecca Lia

I would like to congratulate Rebecca Lia for receiving the Metropolitan South and West School Performance Directorate Principal Network Award for Excellence for Early Career teachers. This award is given to acknowledge the dedication and hard work of Ms Lia.

SASS Morning Tea

This week is School Administrative and Support Staff (SASS) recognition week. It is a week to recognise and celebrate the vital role played by SASS right across NSW public schools. Fairfield West Public School is privileged to have a large team of dedicated and hardworking SASS which consists of: Office staff; Community Liaison Officer; General Assistant and School Learning Support Officers.

Congratulations, Fairfield West Public School

Congratulations to the Instructional Leadership team at FWPS and all the teachers, SLSOs and students. Last Wednesday Fairfield West Public School was awarded a Department of Education Secretary's award for school achievement.

This prestigious award recognises NSW public schools that have successfully created a sustainable learning environment through a whole-of-school project. Schools receiving this award must demonstrate significant improvement in learning outcomes and opportunities, excellence in student learning, maximising learning opportunities for all students as well as community leadership.

News from the Principal – Continued

Updated information

If any of your contact details have changed such as phone number or address, please contact the school office on 9604 5568 to advise us so we may update your contact details accordingly. A sick child can become very distressed if we can't contact their parent/carer. New changes have now been implemented as per the NSW Health guidelines and Department of Education requirements that we must send students home if they show any flu-like symptoms.

School Uniform Policy

As per our school Uniform Policy, the expectation is that **EVERY** child wears their full school uniform and appropriate shoes every day. The school is prepared to support students to ensure they are in full school uniform. If there is any issue regarding cost of uniform, please contact the school and we will work with you to ensure your child has access to a full school uniform.

Tell Them From Me Survey

This term, Fairfield West Public School will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Completing this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted over Term 3 and early Term 4. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

To access the survey please click on the QR code.

Staff Learning

Not only do the students spend their days learning, but so do all the staff at FWPS. Over the past two weeks staff members have participated in the following professional learning opportunities, mostly remotely:

- Full day Aboriginal Pedagogies - Assistant Principal and teacher.
- Two hours High Potential and Gifted Education – six Assistant Principals and 26
- Full day APCI conference – Two Assistant Principals C&I
- One hour Literacy and Numeracy resources – Three DP, four Assistant Principals and 41 teachers
- Full day School Leadership Institute – Principal
- Two Full Days State Council PPA – Principal
- Full day Wellbeing – Principal, two Deputy Principals, four Assistant Principals, two Assistant Principals C&I and one teacher.

All staff professional learning ensures that the highest quality of education is provided to all students at FWPS.

Genelle Goldfinch

/ respect and acknowledge Aboriginal People as the traditional owners of the land on which / work, live and visit.

Student news

On Wednesday, 6 September, our School Captains and Vice Captains attended the 'Battle for Australia' commemoration service, which was held at McCarthy Memorial Park, hosted by the Smithfield RSL Sub-Branch. The school leaders participated in the commemoration service at the park where they laid a wreath and paid their respects. This was then followed by the students attending the RSL for light refreshments. The student leaders expressed they found the experience to be a heartfelt and informative ceremony.

Class Report ~ 6J

TERM 3 UPDATE

6J have had an amazing term, full of entertaining and engaging learning experiences. This term for English we have been writing to inform about natural disasters and writing creative pieces. In Math, 6J have attempted mathematical challenges, while working in groups. We have been learning about the different kinds of natural disasters in Science. For education week we had to dress up as a book character and learnt from Sue Whiting, the next day we had the Koomurri Aboriginal incursion where we got to throw boomerangs and get our face painted with ochre. In week 6, year six students got to go on a two day excursion to Zone Bowling where we played bowling and laser tag. After the game, we went to Ninja Parc where we went through obstacle courses to reach the end. On day 2, we went to Sydney city to learn about the one and only The Rocks, we had a fantastic time learning about the history of The Rocks. Year 6 is definitely a busy year. Next term will be even busier!

Report written by Sabrina and Winnie (6J)

Class Report – 1/6V

1/6V In Term 3

*Students have shown interest in learning lots of new things this term.
Students have settled into new class routines and have enjoyed making new friends.*

Learning how to make friendship bracelets after writing about the materials we need to make them.

Students in 1/6V love learning maths using hands-on materials. Check out the group work activities we have done about position and fractions.

Did you know Pablo Picasso's full name is 25 words LONG!

Check out our artistic skills! Pictured below are our works inspired by Pablo Picasso, as well as our Education Week artworks inspired by the story 'Sam's Bush Journey'.

Student News

During Education Week students participated in 'Artist for a Day'. Students in each grade learnt about an artist and the style that artist used/uses to create works. They then made a portrait in the style of the artist they studied of one of their classmates linked to the theme of friendship.

Kindergarten – Pablo Picasso
 Year 1 – Andy Warhol
 Year 2 – Sidney Nolan
 Year 3 – Ken Done
 Year 4 – Van Gogh
 Year 5 – Frida Kahlo
 Year 6 – Anh Do
 Support Unit – Roy Lichtenstein

Tuning Into Kids

ABOUT US

Would you like to learn how to:

- Better understand your child
- Help your child learn to manage their emotions?
- Help prevent behaviour problems in your child?
- Teach your child to deal with conflict?

Tuning in to Kids shows you how to help your child develop emotional intelligence. Children with higher emotional intelligence:

- Have greater success with making and keeping friends
- Have better concentration at school
- Are more able to calm down when upset or angry
- Tend to have fewer childhood illnesses

Compulsory school attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my Legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age of 17 years. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the NSW Education and Standards Authority for home schooling.

Once enrolled, children are required to attend school each day it is open for students.

The Importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Attendance

NSW Department of Education

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An Application for Extended Leave may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school what should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department may apply to the Children's Court for a Compulsory Schooling Order. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The NSW Department of Education recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

We want to work with businesses within our school communities

Work is available maintaining our schools

School Infrastructure NSW manages a large maintenance program for more than 2,000 schools across all parts of NSW. To do this work, we are looking to engage local businesses, including Aboriginal owned businesses and people.

We want to go local

We are moving towards direct management of facilities maintenance, bringing in new facilities maintenance contractors and tradespeople to work directly under contract with us.

Why go local? We want to:

- be more responsive to maintenance issues reported by schools.
- ensure we are working with local trades and spending our money in our local communities.
- provide better working conditions for local tradespeople, including faster payment terms.

Opportunities for Aboriginal businesses

In addition to increasing our engagement of local contractors, we are also seeking to grow the number of local Aboriginal businesses we work with and increase employment opportunities for Aboriginal employees, apprentices and trainees.

We have Aboriginal Senior Program Officers who are able to help Aboriginal businesses, and local contractors who already employ or are looking to employ Aboriginal employees, apprentices, and trainees.

Community News

NSW Department of Education – School Infrastructure

The trades and services we are looking for include:

- Multi Tradespeople
- Plumber (including roof and gas)
- Electrician
- Lift Technician
- Refrigeration mechanic
- Glazier
- Hazmat
- Arborist AQ3/AQ5
- Locksmith
- Cleaner
- Pest control
- Carpet/vinyl
- Data technician
- Security technician
- Painter
- Plasterer/renderers
- Tiler
- Landscaper
- Brick layer
- Fire management
- Sheet metal
- Concreter
- Removalist
- Playground specialist
- Pool technicians and cleaner
- Carpenters
- Gasfitters
- Test and tag
- Lighting
- Construction
- Gutter cleaning
- Equipment construction and maintenance
- Engineering
- Fencing services building and repair
- Roofing

How can I participate?

We're looking for a wide variety of maintenance services and trades to start with us from 1 July 2023 including electricians, plumbers, painters, and many others. It's easy to work with us!

Reach out to our team to find out more and access the documents to apply to work with us.

On approval you'll be setup in our systems and onboarded, with induction covering how to work with us and use our systems. Then start getting work orders allocated within 48 hours!
