

DEADLY

WRITING FESTIVAL

FWPS School Prize

Dear parents and carers

We are excited to announce that our school has won a prize that allows a selected grade to participate in the Deadly Writing Festival on Thursday 22 May 2025. This free incursion will provide students with the opportunity to engage in a series of live interactive sessions with Aboriginal storytellers and knowledge holders through Zoom workshops.

During these sessions, students will compose writing pieces that they can later use to create a class book. We are pleased to inform you that Year 5 students have been selected to participate in this enriching program.

Ms G Goldfinch
