

Dear parents and caregivers

When students are being picked up at the end of the day, it is a very busy time for all staff. At 3:00pm, it is the job of the teachers and SLSO's to ensure that every student in their class is picked up and goes home safely.

Please do not discuss your child's day at school with staff at pick up time. If you wish to talk to your child's teacher, call the school on 9604 5568 and either speak to them over the phone or organise a time to meet and discuss your child's education in person, this way the teacher can give you their full attention.

Regards

Ms Goldfinch
