

## Comms – Fairfield West Public School

Dear Parents and Carers,

As you are aware, Fairfield West Public School was made non-operational Monday 8 November to Wednesday 10 November 2021 for the onsite attendance of staff and students due to members of our school community who tested positive to COVID-19.

The NSW Department of Education and NSW Health have been working closely to ensure the health and safety of all students and staff is maintained. This work has included identifying close contacts of the confirmed cases.

The students and staff identified as contacts have been notified and asked to self-isolate for the required period.

The school has been thoroughly cleaned and our school will be operational for the onsite attendance of staff and students from Thursday 11 November 2021.

The safety and wellbeing of our staff and students is of paramount importance to us at all times. As such we will continue to work closely with NSW Health to ensure that all necessary health advice is adhered to.

Further information on COVID-19 is available on the [NSW Government website](#).

Further information about the NSW Department of Education [response to COVID-19](#) is available on the Departments [website](#).

Thank you for your ongoing support.
