

1M with Miss Costello

1M have been great learners this term! We have continued learning about The Living World and even went on an excursion to Taronga Zoo. In Maths 1M have been involved in lots of number talks and maths investigations. Our writing unit this term has been around positive relationships, students have discussed our managing emotions, how to be a good friend and conflict resolution.

Important information

Sport is on Tuesdays and Fridays.

Library is on Thursdays.
